

RFP 24-001 Armed Campus Security

Question	Response
Under the scope of work, guards will be required to patrol multiple campuses daily and may be required to patrol on foot. Will officers/guards be required to stay at their respective campus, or will they be required to patrol more than one campus on any given day?	Guards will be required to patrol multiple campuses throughout the day. At least 2, no more than 3, depending on the number of guards hired.
Page 26 referring to item #6 concerning background and fingerprint documentation: A TCOLE license indicates peace officers have had both background and fingerprints cleared, so does documentation need to be attached necessarily, or will a TCOLE PSR suffice?	TCOLE Personal Status Report will suffice.
